

FREE SEMINAR ON FHWA'S COVERED BRIDGE MANUAL

Wednesday, 7/21/2004

Turner-Fairbank Highway
Research Center
McLean, Virginia 22101

Register by 7/15/2004

All attendees will receive a copy of the new Covered Bridge manual.

Speakers:

Phillip C. Pierce, P.E., F ASCE
South Kortright, New York 13842

Robert L. (Ben) Brungraber, Ph.D., P.E., M ASCE
Keene, New Hampshire 03431

With first-hand experience on more than 100 covered bridges, including design, rehabilitation, repair, and maintenance and construction, the speakers will discuss covered bridge preservation by briefly summarizing the contents of the manual with special focus on key issues related to covered bridges and by presenting several case studies of recent covered bridge projects.

To attend, complete the registration form online, print out a copy and mail it back to the address shown on the form, or call (202) 493-3051 (John O'Fallon) or (202) 493-0024 (Esther Camano).
